

# AGING & DISABILITY RESOURCE CONNECTION (ADRC) OF YOLO COUNTY

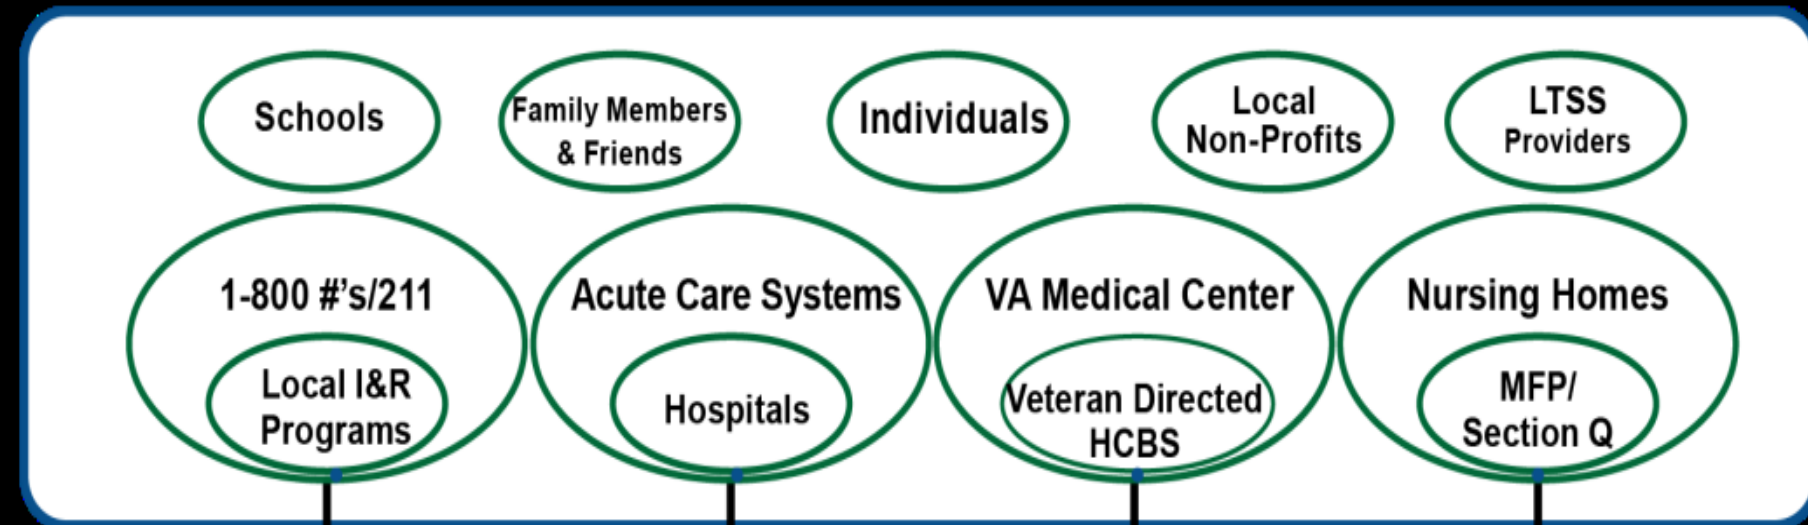

- Goal of ADRC is to streamline access to long term services and supports (LTSS).
- Collaboration between core partners **RIL**, **AAA4** and **YHAA** as well as other providers of LTSS and safety net services.
- YADRC ADVISORY COMMITTEE

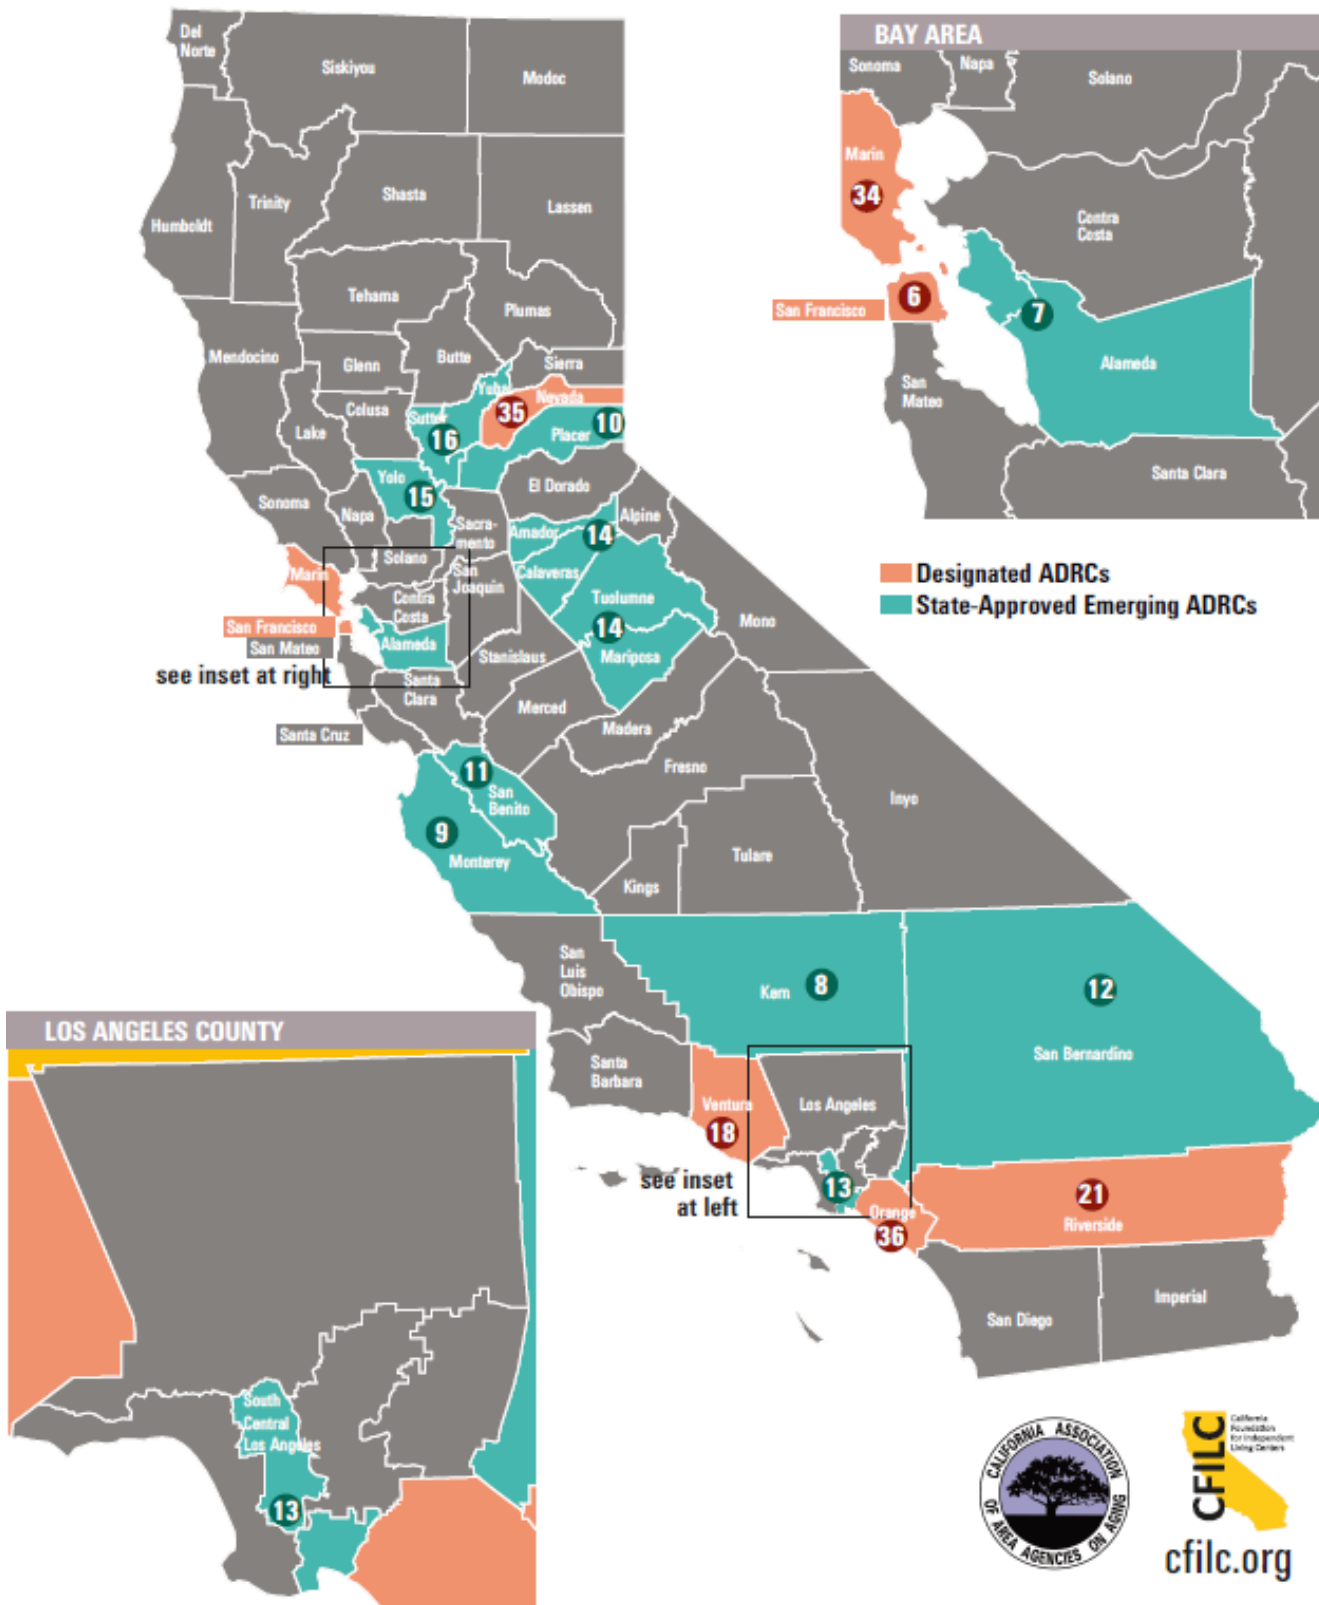

# What is an ADRC?

- **ADRC/No Wrong Door Systems** addresses the frustrations many consumers and their families experience when they need to obtain information and access to supports and services.
- **ADRC programs:**
  - Raise visibility about the full range of public and private Long-Term Services and Supports (LTSS) programs available.
  - Provide objective information, advice, counseling and assistance.
  - Ensure people are able to make informed decisions.
  - Serve as a “navigator” connecting consumers with the LTSS system.

No Wrong Door (NWD) Systems empower individuals to make informed decisions, to exercise control over their long term care needs, and to achieve their personal goals and preferences

NWD serves anyone seeking long term services and support, regardless of age, income or disability

# California ADRCs

6 State Designated ADRCs

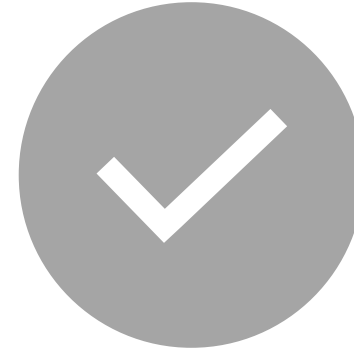

10 Emerging ADRCs

# Yolo County ADRC Core Services

**Enhanced Information and Referral Services -**  
Comprehensive resource information, follow-ups, and referrals via “warm hand-offs.”

**Options Counseling -** Assist in identifying goals and needs through person-centered counseling and coordinating access to public and private-funded long-term services and supports in the community.

**Short-Term Service Coordination -** Expedited access to services and supports for individuals at risk of institutionalization, generally for 90 days or less, until a longer-term plan is in place.

**Transition Services -** – For people who are currently in a hospital, nursing facility, or other institution and wishes to receive long-term services and supports at home or in a community-based setting.
